Date	Change Description
2023-09-06	Initial release of Universal Connector MEA 1.0.0 Beta 8.

# Universal Connector MEA 1.0.0 Beta 8 Release Notes

This document provides information about Universal Connector MEA version 1.0.0 Beta 8 build 0110. Universal Connector is a management extension application (MEA) that is available with some FortiManager models.

This section includes the following topics:

- [Supported FortiManager host models on page 5](#)
- [Licensing on page 5](#)

## Supported FortiManager host models

For a list of FortiManager models that can host Universal Connector MEA 1.0.0 Beta 8 and minimum system requirements, see the [FortiManager Release Notes](#).

## Licensing

Universal Connector MEA is included with FortiManager and does not require an additional license.

# Product Integration and Support

This section lists Universal Connector MEA 1.0.0 Beta 8 support of other products. It contains the following topics:

- [Supported FortiManager versions on page 6](#)
- [Supported fabric connectors to external applications on page 6](#)

## Supported FortiManager versions

The following FortiManager versions support Universal Connector MEA.

FortiManager	7.0.1 and later
--------------	-----------------

For a list of FortiManager models that can host Universal Connector MEA1.0.0 Beta 8 and minimum system requirements, see the [FortiManager Release Notes](#).

## Supported fabric connectors to external applications

You can use Universal Connector MEA to create fabric connectors to the following external applications:

External Application	External Application Version
Guardicore Centra	36 or later
Cisco ACI	5 or later
Azure	

## Resolved Issues

The following issues have been fixed in Universal Connector MEA. For inquiries about a particular bug, please contact Customer Service & Support.

Bug ID	Description
950579	If FortiManager's Primary & Secondary DNS Server settings are not configured, a new Azure Fabric Connector under the Universal Connector MEA cannot be created.

## Known Issues

The following issues have been identified in 1.0.0 Beta 8. For inquiries about a particular bug or to report a bug, please contact Customer Service & Support.

Bug ID	Description
937313	The Universal Connector is not supported in FortiManager HA; as a result, the Universal Connector's database would not synchronize among HA members.
