Change log

Date	Change description
2025-09-04	Initial release.

Introduction

This document provides a list of supported models, new features and changes, and product integration information for FortiCare Elite Portal 25.3.a. Review all sections of this document before using this service.

Product integration and support

FortiCare Elite Portal supports all FortiGates that have the elite license applied.

FortiCare Elite Portal 25.3.a supports the following web browsers:

- Microsoft Edge 41 and later versions
- Microsoft Internet Explorer 11 and later versions
- Mozilla Firefox 59 and later versions
- Google Chrome 65 and later versions

FortiCare Elite Portal may function correctly with other web browsers, but Fortinet does not support them.

Resolved issues

The following issues have been fixed in version 25.3.a. For inquiries about a particular bug, contact [Customer Service & Support](#).

Portal

Bug ID	Description
1168678	Support large account (with over 18K devices).

FSBP report

Bug ID	Description
1063251	Support FSBP for FortiOS 7.6.0 and later.

Known issues

No known issues have been identified in version 25.3.a.

Fortinet®, FortiGate®, FortiCare® and FortiGuard®, and certain other marks are registered trademarks of Fortinet, Inc., and other Fortinet names herein may also be registered and/or common law trademarks of Fortinet. All other product or company names may be trademarks of their respective owners. Performance and other metrics contained herein were attained in internal lab tests under ideal conditions, and actual performance and other results may vary. Network variables, different network environments and other conditions may affect performance results. Nothing herein represents any binding commitment by Fortinet, and Fortinet disclaims all warranties, whether express or implied, except to the extent Fortinet enters a binding written contract, signed by Fortinet's Chief Legal Officer, with a purchaser that expressly warrants that the identified product will perform according to certain expressly-identified performance metrics and, in such event, only the specific performance metrics expressly identified in such binding written contract shall be binding on Fortinet. For absolute clarity, any such warranty will be limited to performance in the same ideal conditions as in Fortinet's internal lab tests. Fortinet disclaims in full any covenants, representations, and guarantees pursuant hereto, whether express or implied. Fortinet reserves the right to change, modify, transfer, or otherwise revise this publication without notice, and the most current version of the publication shall be applicable.
